

**Policies and Expectations
2023-2024**

Dear Gorzycki Parent/Guardian:

Please take the time to review the contents of this document with your child so you and your child are fully informed about policies and expectations at Gorzycki Middle School. Once you have reviewed the planner, please complete the 1-question BLEND Quiz indicating your understanding and awareness of the policies and expectations for the upcoming school year.

Failure to complete the quiz does not exclude your child from adherence to the policies and expectations contained within.

**Gorzycki Middle School
7412 W Slaughter Lane
Austin, Texas 78749
Phone: 512-841-8600
Fax: 512-841-8601**

**School Colors: Burnt Orange and Black
School Mascot: Tiger
Mascot Name: GNASHER**

Cathryn Mitchell, Principal

Mission Statement

To create a secure and collaborative climate where the Gorzycki community is empowered to challenge, design, build and lead tomorrow's world citizens through awareness and engagement.

Vision Statement

Excel Today, Lead Tomorrow

Belief Statements

At Gorzycki, we believe that effective instruction is what the students learn, not simply what they have been taught. We believe that we set expectations and our students will rise to them, and that a positive and safe school climate is essential to learning. We believe that a partnership between families and our school is crucial for students to become productive, socially responsible, and contributing members of a diverse society.

ATTENDANCE

Regular attendance in all classes is an expectation of all Gorzycki MS students. State law and District policy state that students must be in attendance for 90% of the instructional days for a class to receive credit. A student who misses more days than allowed by AISD policy, excused or unexcused, may not be given credit for that class unless time and/or work is made up for the absences. Students will work with the grade level administrator to complete the appropriate steps to reach compliance.

Absences exempt from the 90% rule:

- *School field trips*
- *UIL activities and events*
- *Other school-related events*
- *Documented medical appointments*

When returning to school after an absence for any reason, a student must submit a note to the attendance clerk in the front office, signed by the parent or doctor, describing the reason for the absence. All notes for absences must be submitted within 48 hours of the student's return to school in order for the absence to be excused. Failure to submit notes in this time frame will result in the absence remaining unexcused in the student's attendance record. The school will accept up to 5 parent notes for illnesses during the course of the school year. After 5 parent notes, the student will be required to submit a doctor's note for any illnesses (regardless of the number of days out) for the remainder of the school year in order for the absences to be excused.

Illness: A student with a fever of 100.0 must be sent home and cannot return to school until the student has been fever-free for 24 hours without the use of fever-reducing medication.

Medical Appointment: When returning from a medical appointment, a signed note from the doctor is required. This ensures that the school receives funding from the state of Texas for the student when they are absent. In order for the school to receive this funding, the student must have attended school for part of the day on the day of the appointment.

Funerals and Weddings: Students will be excused for up to two consecutive school days for family weddings and funerals. We realize that sometimes travel for these special events will keep a student out longer, and extra days for absences will occur. The administration will determine whether any extra days required for attending a family funeral or wedding will be excused.

Family Vacations and Out of Town Trips: School days missed due to family vacations, out of town trips, taking extra days to extend the weekend, and time taken off for non-AISD extracurricular activities will **not** be excused.

Notification of absences: An automated phone message or email will be sent to the primary contact of any student who is given an absence on the day the absence is recorded. **Ten or more** unexcused absences may result in the campus pursuing legal action.

Twilight: Students who fall below 90% attendance will be required to make-up attendance through the Twilight program. Grade level administrators will help enroll students into the program. Twilight takes place after school in the library.

For more information on attendance requirements, visit the district website at <https://www.austinisd.org/attendance/compulsory>

Permit to Leave School Early or For Doctor or Dental Appointments during School Day:

When it is necessary to leave school, the student must have **written permission** from a parent or guardian.

1. The student must bring a written note to the Commons, where a staff member writes permits, prior to 8:20 a.m.; after 8:20, come to the front office.
2. The note must include the student's first name, last name and student ID. Write the specific time (not class period) the student is needed in the front office and the reason for the student leaving early.
3. The student will take the pink permit to the appropriate teacher when it is time to leave. That teacher will allow the student to go to the front office for parent pick up.
4. A parent must sign the student out at the office before leaving campus. No phone requests are allowed for early dismissal.
5. **When returning to campus the same day**, the student should have a signed doctor's note or a note from the parent that must be taken to the front office before returning to class. The front office will sign the pink permit for the student to return to class. A parent does not have to accompany the student into the building when returning from an appointment.
6. **When returning to campus the following day**, drop off the signed doctor or parent note in the front office.
7. Students needing an elevator pass for medical reasons need to submit a request from the parent in writing along with documentation from the doctor.

TARDY POLICY

Tardy to School: After 8:20 a.m., a student is late to school and a tardy permit must be obtained from an office staff member prior to going to class. A note signed by a parent or guardian stating the date, time of arrival and the reason for the tardy should be presented.

Tardy to Class: A student is tardy if not in the proper room when the bell rings. The following consequences will be applied for tardies:

1st tardy - Warning

- 2nd tardy - Parent notification
- 3rd tardy – In school Detention and parent notification
- 4th tardy - After School Detention and parent notification
- 5th tardy - Referral (District requirement)

Make-up Work: It is the student's responsibility to make arrangements with the teachers for make-up work following an absence.

GENERAL SCHOOL POLICIES

Arrival: The building is open from 7:50 a.m. to 4:30 p.m. Upon arrival, 6th grade students will report to the cafeteria. 7/8th grade students will report to the Commons. Students are to sit on the floor in the Cafeteria/Commons area. Students must be supervised in the building outside of school hours.

Dismissal: Students who stay for an activity/tutoring session should remain in their designated area with the Gorzycki staff member in charge of the after school activity. **Parents should pick up their child within 10 minutes of a given activity ending time.** Failure to be picked up in a timely manner may result in restrictions from after-school activities.

Closed Campus Policy:

Once students are on school grounds they are the responsibility of the school and must remain on campus. No student is to leave campus alone before dismissal unless prior written permission from the parent has been provided to the office. Any student leaving campus without permission will be counted as truant and subject to disciplinary action.

*In order to assist students with self-responsibility and to keep classroom disruptions to a minimum, there will be **no deliveries** made to students during the school day. Lunch can be dropped off in the front office and will be delivered to the student in the cafeteria.

Birthday and Holiday Procedures: Delivery of birthday or holiday items to students during the school day are **not permitted**. This includes flowers, balloons, candy, stuffed animals, etc.

ACADEMIC INFORMATION

Academic Integrity: All students are expected to strive to learn the subjects they are being taught during their time at Gorzycki. The material learned in middle school builds the foundation that will carry the students into future academic endeavors. Therefore, it is of utmost importance that students do their own work, give credit to those whose work they have used on a paper or project, and have the integrity to learn material and study for tests and quizzes so that they are prepared.

Plagiarism: Plagiarism is defined as taking credit for another person's work or ideas and passing them off as if they are one's own. A common infraction is cutting and pasting text from a website into a document without giving credit to the author. Plagiarizing copyrighted material is illegal.

Cheating/Copying: Getting answers from another student or giving answers to another student on homework, tests, quizzes, or any other assignment is unethical and is considered cheating. A common infraction is borrowing and copying the answers to homework assignments from another student. Both students are considered to be cheating in this situation. Another example is using any type of electronic device to get answers from websites or using text messages to send answers to other students.

Consequences for Plagiarism/Cheating:

1st Offense: The student will be given an alternate assignment/test. An initial grade will be entered as a zero and can later be replaced with alternate assignment/test for a maximum score of 70. Parents will be notified and the teacher may assign a classroom consequence (ie. detention).

2nd Offense: The student will be given an alternate assignment/test. An initial grade will be entered as a zero and can later be replaced with alternate assignment/test for a maximum score of 70. Parents will be notified and the student will receive an office referral and consequences.

Progress Reports: Progress reports are emailed/mailed to parents after the third week and the sixth week of the 9-week grading period. Teachers are required to send progress reports for students who are not passing or are borderline failing. If a parent has questions or needs clarification, they should contact the individual teacher by email or phone.

Report Cards: Parents will receive an email stating report cards are available in the parent portal each nine week grading period to the email address provided at the time of registration.

Honor Roll: Honor rolls will be determined by students' grades for the respective nine weeks.

EXCEL: Weekly tutoring and study hall time is built into the schedule daily.

Tutoring Schedule:

Monday: Socials Studies/Electives

Tuesday: ELA

Wednesday: Science

Thursday: Math

Fridays: SEL

School Records: A student's records are confidential and are protected from unauthorized inspection or use. A cumulative record is maintained for each student from the time the student

enters the District until the student withdraws or graduates. This record moves with the student from school to school. By law, both parents, whether married, separated, or divorced, have access to the records of a student who is under 18 or a dependent for tax purposes. A parent/guardian whose rights have been legally terminated will be denied access to the records if the school is given a copy of the court order terminating these rights.

Schedule Changes: A request for a course selection change should be made through the grade level counselor. Due to staffing restrictions, it may not be possible to honor all schedule change requests. If an emergency exists, contact the appropriate grade level counselor. Schedule change requests can be made **within the first ten days** of school for one or both semesters. However, “change of mind” requests will **not** be honored.

Library Services: Students are encouraged to use the library. Students may use the library before or after school, and during lunch but they must get a pass from a teacher or the Librarian to use the library during these times. Books may be checked out for two weeks. A replacement fee will be charged for lost, stolen, or damaged books.

PHYSICAL EDUCATION

The State of Texas requires that all students take physical education. Students will be required to purchase a standard uniform of black shorts and a school T-shirt. The PE department will provide information regarding the purchase of the items. The student must also provide appropriate shoes and socks.

If a student is to be excused from physical education because of illness, they must bring a written note from the parent/guardian or physician. A doctor’s note is required to excuse participation beyond **three days**. Students who are unable to participate in PE will be required to complete an alternative written assignment. Information regarding athletic guidelines and policies can be obtained from the physical education department.

****Specialized PE courses, as well as dance, band, etc. may have additional costs.*

MEALS AND SNACK POLICIES

Cafeteria: The cafeteria serves both breakfast and lunch. Breakfast is served between 7:50 and 8:20 AM. There are three lunch periods. Students may purchase lunch or bring lunch from home. Prepayment to a lunch account may be made at www.schoolcafe.com. The cafeteria does not accept personal checks.

Students who eat lunch off-campus with a parent and return late to campus will be given an unexcused tardy or absence depending on the time of return. Food may not be shared between students. This includes any parent delivered food.

Food and drinks may only be consumed in the cafeteria (other than water). Food and drinks will need to be consumed before entering the school.

Foods of Minimal Nutritional Value (FMNV): Public schools are no longer allowed to serve, sell, or give away foods during the school day which the State of Texas has ruled are foods of minimal nutritional value. All food items dispensed to public school students must meet strict state criteria for nutritional value. Students may bring food from home that is considered FMNV, but they may **not** share this food with other students.

It is District policy that parents may no longer send food for parties and birthdays. Please see the policy for visitors and lunch procedures for more information.

Current Menus and nutritional information for each menu item can be found at:

<https://www.austinisd.org/nutrition-food-services/menus>

Customized Information on Recommended Dietary Allowance and additional nutritional information can be found at: <https://www.austinisd.org/nutrition-food-services>

During lunch, students may not leave the cafeteria or commons to go into the academic wings. Students can only go to the library with a pass from the librarian, which they obtain before school. Third-party deliveries (pizza delivery, GrubHub, etc.) of foods are not permitted and will be turned away at the door. Students placing outside orders for food through third parties will receive disciplinary consequences.

FIELD TRIPS AND CAMPUS EVENTS

Students at Gorzycki Middle School have the opportunity to participate in a number of educational extracurricular field trips and events (dances, socials, pep rallies, etc) throughout the school year. It is the goal of our school's administration and faculty to include as many students as possible in these school-sponsored events. It is also important to understand that field trips and events are a privilege and students must meet certain guidelines in order to participate. The following guidelines are general school-wide policies for all school-sponsored field trips and events. These guidelines, as well as any additional guidelines established by the group sponsor(s), will be used in determining whether a student may participate in the trip or activity.

Field Trip/Activity Participation: Eligibility will be based on the following criteria: Behaviors that result in after school detention, in-school suspension (ISS), suspension, and removal from school will be grounds for the loss of field trip/activity privileges. Students must pass all classes the nine weeks prior to the field trip with a 70 or higher and must be currently passing courses at the time of the event in order to attend. Students must meet the state mandated 90% attendance rate for the school year. Administrators will make the final determination regarding loss of field trip/activity privileges.

Responsibility: Students must meet the established deadlines for returning field trip materials such as fees, transportation waivers, medical forms, etc. Students must clear all school obligations (overdue library books, lost textbooks, etc.) and provide written documentation that the obligation has been cleared to the trip sponsor by the established deadline.

Expenses: Some trips and activities will have expenses that must be paid in order for students to participate. Parents will be notified, well in advance, of any expenses that may be required. Financial scholarships may be available. No student should feel excluded from an activity due to their socioeconomic status.

DISCIPLINE POLICIES

GMS encourages students to be responsible and to follow school rules. Teachers and/or teams will develop class rules and send them home to review. Students will also be asked to review the District's Student Success Guide and sign that they understand and will comply with the rules. Areas of specific importance are:

Acceptable Use Policy: Access to the District's electronic communications system, including the Internet, shall be made available to students exclusively for instructional purposes and in accordance with AISD regulations. ***Access to the Internet at school is a privilege, not a right.*** Abuse or misuse of the school's computers or internet system may result in sanctions with regards to access and use. This includes loading inappropriate information onto school computers or accessing school systems/information that is considered off limits for student use.

Assemblies: A student's conduct in assemblies must meet the same standard as in the classroom. A student who is tardy, or who does not abide by school and District rules of conduct during an assembly, will be subject to disciplinary action. Students are expected to attend assemblies and sit with their class. Once a staff member addresses the group by saying "good morning/afternoon," students should immediately stop talking and give the adult their attention.

Cellular Phones and Electronic Devices: Students are permitted to possess a personal cell phone/wireless earbuds. These devices must remain turned off and out of sight in the school building.

Electronic devices are strictly prohibited in locker rooms, restrooms, hallways, cafeteria, commons, and library. Individual teachers will have their own cell phone/earbud policy for their classroom. Devices that are being used in prohibited areas (including accessories such as air-pods) will be held for 48 hours with a \$15 fine for failure to follow policy. Repeat offenses may result in the loss of device privileges for the semester.

Drug and Alcohol Abuse: Any student, who intentionally sells, gives, possesses, uses, or is under the influence of illegal drugs, prescription drugs, or alcohol in or on school property, including buses, shall be subject to (1) removal from school and (2) being reported to the appropriate law enforcement agencies for possible legal action.

Smoking/Vaping: The use and/or possession of tobacco or vaping products and paraphernalia are prohibited. Any student who violates this rule is subject to removal from school. The rules apply at the bus stop, on the bus, on the school campus, and AISD property during the school day and at any school activity before or after school. In addition, parents and other adults may not smoke on any AISD property or at any AISD sponsored event.

Appropriate Dress Guidelines: Gorzycki Middle School students will adhere to the Dress Code Policy. The goal of these guidelines is to ensure a safe, respectful, and positive learning environment and to model good citizenship. All clothing should be appropriate to the student's age, school setting, and weather conditions. Both students and parents share the responsibility for the student's attire, however, the campus administrator has the final authority concerning the appropriateness of any item worn at school.

Gorzycki Middle School Dress Guidelines for students:

- Undergarments cannot be worn as outer garments.
- Torso (midriff), front and back, is completely covered.
- See-through clothing is accompanied by an opaque undergarment.
- No strapless shirts
- Clothing, jewelry, medallions, patches, or designs on clothing should not reflect or suggest drugs, alcohol, tobacco, profanity, sex (including innuendos), or other distasteful language/gestures, or that create a hostile/intimidating environment.
- Anything deemed disruptive or unsafe are prohibited.

Students who fail to follow these dress code guidelines will be asked to change into more appropriate attire. In some cases, the school will provide a shirt and/or pants to a student, if a parent is not able to bring alternative clothes to school for the day.

STUDENT IDs: Student ID badges must be worn, and visible from the front, at all times on school grounds. They may be required during trips. Not wearing an ID badge will result in a lunch detention. Students who forget their ID badge can call parents to bring it, or they can purchase a new badge from the front office (\$5), which will prevent a student from receiving lunch detention.

Repetitive Lunch Detentions: Three lunch detentions will result in an after school detention.

Public Displays of Affection: All students are prohibited from engaging in public displays of affection anywhere on campus or at campus-sponsored events. (Some examples: holding hands, hugging, kissing, or sitting in someone's lap.)

Harassment/ Bullying: Bullying occurs when a student or group of students engage in written or verbal expression, expression through electronic means, or physical conduct that occurs on school property, at school-sponsored or school-related activity, or in a vehicle operated by the District that has the effect or will have the effect of physically harming a student, damaging a student's property, or placing a student in reasonable fear of harm to the student's person or of damage to the student's property; and is sufficiently severe, persistent, and pervasive enough that the action or threat creates an intimidating, threatening, or abusive educational environment for a student.

Gorzycki Middle School is a "Bully-Free Zone" and no bullying or harassment of students is tolerated. Students shall not engage in harassment motivated by race, color, religion, national origin, sexual orientation, gender, or disability and directed toward another student. Students shall not engage in bullying. Students shall not engage in sexual harassment toward another student or District employee. Students shall not commit dating or sexual violence toward another student. Any reports of this type of behavior will be thoroughly investigated by the campus administration and/or campus police officer. A substantiated charge of harassment or bullying against a student or District employee shall result in disciplinary action. Students and parents should report any incidents of these types of behaviors to the campus administration immediately. For additional information on prevention, or to access forms to report bullying, please visit the district website at <https://www.austinisd.org/respectforall>

Zero Tolerance: In AISD, zero tolerance means that if a student violates the Student Code of Conduct (which also incorporates state and federal law), the behavior will be addressed. The intervention or disciplinary action will be based on the seriousness of the offense, the student's age and grade level, the frequency of misbehavior, the student's attitude, whether the student was acting in self-defense, the effect of the misconduct on the school environment, and requirements of law.

STUDENT SEARCHES AND SEIZURES

Purses and backpacks: Student purses and backpacks brought to school are subject to reasonable search by a school official when he or she has reasonable grounds for suspecting that a search will turn up evidence that the student is violating or has violated a student code of conduct rule, a school rule, or the law. ***Parents should remind students not to bring items to school that are in violation of the Student Code of Conduct (guns, knives, weapons, drugs including over-the-counter medications, cigarette lighters, vaping devices, etc.) Purses and backpacks are not allowed in the classroom or cafeteria once lockers have been issued.*** Purses and backpacks must be kept inside the student's locker during the school day.

School Lockers: School lockers are school property and as such may be searched periodically for contraband (i.e. illegal items) and for overdue or missing books or stolen items. Since the lockers are school property, the student and parent are on notice that there is a diminished expectation of privacy in the use of the lockers. Stickers, glue and other adhesives are not to be used on school lockers (magnets only). Exterior locker decorations should only be done by school clubs/organizations and should be pre-approved by administration. ***Highly valuable items and those with sentimental value should remain at home as the school is not responsible for the loss or theft of such items.*** Any contraband found will be confiscated and the student will be subject to disciplinary action.

THINGS TO BE LEFT AT HOME

Due to safety concerns and the potential for disruptions or damage to school property, certain items are prohibited on school grounds and should be left at home. These items include but are not limited to skateboards, toy guns, pocket knives, fireworks, lighters, matches, permanent markers, and laser pointers. Disciplinary consequences will result in possession of these items. These items will not be returned to students. Bluetooth speakers are not permitted and, if confiscated, will be handled in accordance with the handling of other electronic devices.

Selling Items at School: Students are strictly prohibited from selling any item for personal profit such as candy, gum, lighters, breath spray, etc., on school grounds. This includes outside fundraising items. Any student caught selling items will be subject to disciplinary action by the school administration.

Student Money: Students should bring only the amount of money needed for lunch or other school expenses to be used on a given day. Likewise, students are discouraged from bringing bracelets, purses, expensive or valuable items, etc. to school. **The school accepts no responsibility for the theft or loss of personal items.**

Visitors: During the school day, visitors are only allowed through the front doors in order to check-in at the front office before entering areas with students. Parents wishing to visit a classroom need to schedule a time in advance with the teacher. The visitor badge given to you by the office staff when you check in must be worn on your shirt and must be visible the entirety of your visit. Badges will identify specific destinations for visitors. Visitors must remain in the area specified. Visitors without badges, or who are in the wrong designated area, will be escorted to the office. Please remember to sign out in the office before leaving Gorzycki. When on campus, do not open any outside doors for another person. Visitors need to park in the parking lots and not in the fire lanes.

TRANSPORTATION POLICIES

Bike Riders: Students riding their bikes to and from school must follow all safety regulations of the county and school. A helmet is **strongly encouraged**. Students must remember to follow all street signs, including stop signs. They should ride single file and cross streets carefully. Once a student has reached school property, they should dismount and **walk** their bike to the nearest rack. Bike racks are located on the school grounds and must be used to park bicycles. Please remember to lock your bike.

Bus Riders: Riding the school bus is a privilege. A student being transported in school-owned vehicles is required to comply with the Student Code of Conduct and the MS/HS Bus Rules which are clearly posted on each bus and available from the student's administrator. Any student who fails to comply with that code or established rules of conduct on school transportation may be denied transportation services and shall be subject to disciplinary action. The following procedures shall be followed when a discipline concern arises on a bus serving a regular route or an extracurricular activity:

- Cooperate with the bus driver and others.
- Enter and exit the bus in an orderly fashion.
- Transportation employees have the authority to assign seats at any time.
- Stay in your assigned seat, facing forward.
- Keep hands, head and feet inside the bus.
- Do not drop or throw objects inside or outside the bus.
- Do not eat or drink, except water, while on the bus.
- Do not litter on the bus.
- No inappropriate language.
- No weapons, alcohol or drugs, including tobacco.
- No physical or verbal altercations.
- No skateboards
- Buckle up at all times

Consequences for Bus Violations

If any of the above student behavior rules are broken, the bus driver will make a referral of the violation to administration and the following disciplinary action will be taken.

First violation: Principal or assistant principal will conference with student. Suspension from the bus may occur with this violation. Parents or guardians will be notified.

Second violation: Student will be suspended from the bus for three school days. Parents or guardian will be notified.

Third violation: Student will be suspended from the bus for an extended period of time until agreement can be reached between parents, guardians, administrator, bus driver, transportation supervisor and student.

Serious offenses will receive disciplinary measures, up to and including removal to an alternative education program and /or expulsion from school. Each case will be investigated and discipline will be determined on a case by case basis at the discretion of school administration.

The offenses and actions listed above are not intended to be all-inclusive.

For issues concerning bus routes or the conduct of a bus driver please contact transportation directly at (512) 414-0238.

<http://www.austinisd.org/transportation>

Private Cars: Parents/guardians who drop students off at school or pick them up at the end of the day should drive cautiously, observe parking and safety signs and follow the directions of administrators, teachers, and staff to ensure the safety of all students. Students arriving for the school day should be dropped off at the **front** of the school entering the circular drive on the east side and exiting on the west side. **Please refrain from picking students up in the surrounding neighborhoods or on Slaughter Ln due to student safety.**

For a demonstrations of traffic dismissal procedures, watch this YouTube clip:

<https://www.youtube.com/watch?v=VulSJ4LB3e4>

Bus Lane: Please do not park or stand in the bus lane at the back of the school. Students should be picked up in the front of the school.

Walkers: Students that walk to and from school should cross at the guarded crosswalks. Please remember to be courteous of the neighbors and walk on the sidewalks wherever possible.

Change of transportation plans: Arrangements for alternate transportation plans should be made with your child **before the school day begins**. For your child's security, requests for bus

passes, etc., should be made in writing and turned in to the main office at the beginning of the school day. Phone calls from parents, except in emergency situations, will not be accepted.

Bus Passes to Ride a Different Bus: Please limit bus pass requests to ride a different bus to emergency situations and eligible bus riders. Bus passes, even in an emergency situation, may not be approved if the bus is full. To request an emergency bus pass, provide the front office with the student's name, the reason for emergency, name of the student he/she is riding home with, bus number, and your phone contact number. The office will call to verify requests. ***Non-emergency requests cannot be filled and District transportation is not to be used for parent convenience or Friday sleepovers.***

EXTRACURRICULAR ACTIVITIES

All students are encouraged to participate in clubs, organizations, or activities which appeal to individual interests. One of the most important aspects of the middle school experience is a sense of connection with something outside of yourself. Participation in a school-sponsored club, organization, or event is one of the best ways to gain a sense of belonging, experience success, gain a sense of accomplishment, and demonstrate school spirit.

As an inclusive campus, it is important that all students have access to these opportunities. Scholarships are available for students through the counseling office should costs associated with some of these activities (including fundraisers) be prohibitive.

Student clubs and performing groups may establish rules of conduct and consequences for misbehavior that are stricter than those for students in general. If a violation of the organization rules is also a violation of school rules, the consequences specified by the school shall apply in addition to any consequences specified by the organization. **Students must attend school for at least four periods on the day of an event to be eligible to participate.**

UIL Eligibility Requirements: All extra-curricular activities must follow requirements as set forth by Texas Senate Bill 1. In order to participate in extracurricular activities during the first six weeks, the student must have been promoted to the next grade level. To remain eligible, a student must maintain a passing grade in all subjects. This includes all participating athletes, cheerleaders, managers, band performers, club members, etc. A complete set of guidelines, including information on regaining eligibility, is on file in the school office.

Expectations for Athletic Events, Extracurricular Activities, Clubs, and Organizations: Student behavior at school-sponsored events is governed by the AISD student code of conduct. All rules, including dress code, that apply during the school day, also apply at these events. Students attend athletic events for the purpose of cheering on the Tiger Athletes, therefore, students are

expected to sit and watch the game and show support for our team. Students should not be wandering or loitering in the hallways at the volleyball and basketball games or standing on the track at the football games. Students are expected to sit in the bleachers and watch the game. Students who violate this rule will be asked to leave. NO food or drinks are allowed in the gym. Once students have exited the building during an event at Gorzycki, they should not come back into the building.

Conclusion of Activities: *Students need to be picked up within 10 minutes of the end of an activity.* Teachers sponsor many of these after school activities and it creates a hardship on them when they must wait with students when parents are late. It also creates safety concerns. ***If a parent or guardian fails to pick up their student, AISD Police and a school administrator will be called. Late pick up or failure to pick up may result in students being denied the privilege of attending upcoming after-hours events.***

Athletics: By policy, only 7th and 8th graders are permitted to participate in AISD/UIIL athletics. 6th graders may participate in school club sports. Before a student is permitted to attend practices his/her parents must read, sign, and return a variety of forms which include a physical, insurance waiver, and parental permission for participation. Students who have reached their 14th birthday before September 1st of the present school year are ineligible to participate on 7th-grade teams. Students who have reached their 15th birthday before September 1st of the present year are ineligible to participate on 8th-grade teams.

Important Things to Know

Change of Address or Telephone Number: Parents are required to submit **to the registrar in the office** a change of address or telephone number. An updated utility bill with the current address must be provided as proof of residency. All parents/guardians should give a telephone number where they may be reached during the school day.

Fire, Tornado, and other Emergency Drills: Students, teachers, staff, volunteers, and visitors shall participate in frequent drills of emergency procedures. When the alarm is sounded, students **must** follow the directions of the teacher or staff member quickly, quietly, and in an orderly manner.

Immunization: All students must be immunized in order to attend public school. If students do not have the proper immunizations, they will be sent home and possibly withdrawn from school. A copy of the student's immunization records that have been verified and signed by a physician is required documentation.

If there is a conscientious objection with the requirement that the student is immunized, please contact the Texas Department of Health to obtain the appropriate documentation. If there is a

medical reason a student may not be immunized, a written statement by a U.S. licensed physician is required.

Medication: If it becomes necessary for any student to take **any form of medication** at school, including over-the-counter medicines, a signed note from a parent must be presented to the Nurse's office staff. Please identify the medicine, tell why it is being taken, and when the last dose is to be given. The medication must be in the original container and must be labeled with the student's name and the name of the medication. The bottle must specify age-appropriate information (i.e. 11-year olds may not take medications listed for 12 -years old and above). ***All medication will be kept and dispensed through the nurse's office. Students may not have any medicine in their possession while at school.***

Lost and Found: Students who find lost items are asked to take them to the office or place them in the lost and found. Students who lose items should check the lost and found shelves first and then ask the front office. All lost electronics will be kept in the front office. Lost Chromebooks will be turned into the library. Students are encouraged to label all belongings so they can be identified and returned to the owner.

School Insurance: School insurance is available to all students. A packet will be available for each student at the beginning of school. The purchase of this program is optional. Only students playing in the sports program must provide signed evidence that they are covered by adequate insurance if they choose not to purchase this package.

School Store: PTA operates a small school store for the convenience of our students and parents. It stocks PE uniforms and various items such as paper, notebooks, binders, pencils, pens, and spiritwear. Typically, the School Store is open during all 3 lunch periods and closes 5 minutes before the end of each lunch provided a PTA rep is available to staff the store. Orders can be placed online at: <https://tigerpta.square.site/>

Support Groups: The Counseling Department sponsors many student groups that will meet on a regular basis. Contact your assigned counselor for additional information.

Teacher Phones: Every teacher will have a phone in the classroom and the phone number is listed on the Gorzycki website. This phone will ring in the class, but teachers will not answer it during instructional time. Voice mail will record messages and the teacher will check for messages regularly. Students will not use the teacher's phone for personal calls except in the case of an emergency and with teacher permission.

PROTOCOL FOR HANDLING PARENT CONCERNS

Parents should initially contact the teacher or grade-level team of teachers directly to discuss academic or behavioral concerns in the classroom.

For additional concerns regarding academics, discipline, attendance make-up, or issues with personnel, please contact your grade level administrator. For concerns regarding your child's social or emotional well-being, support services, or class schedules, please contact your grade level counselor.

Students wishing to see a counselor may fill out a request form in the counseling office. If a student is having an emergency or needs urgent help, the student may ask his/her teacher to visit the counselor.

For concerns regarding medical issues, administration of meds, or immunizations, please contact the school nurse at 841-8620.

If you need to reach your child at school after 4:30, please contact the appropriate activity or club sponsor.

EQUAL OPPORTUNITY

AISD does not discriminate on the basis of race, religion, color, national origin, sex, or disability in providing education or providing access to benefits of education services, activities, and programs, including vocational programs, in accordance with Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Educational Amendments of 1972; Section 504 of the Rehabilitation Act of 1973 as amended; and Title II of the Americans with Disabilities Act. Austin Independent School District does not discriminate on the basis of race, creed, color, national origin, sex, disability, or English language skills in its programs and activities.
